

## What am I? Riddles to solve

1. With a stove, an oven, and a shining sink,

A jar of cookies and some milk to drink.

Walk inside to keep hunger at bay,

What else do we have to say!

2. Clean your clothes in this room,

There's a solution for every costume.

Dresses, jeans, and a stained tee,

A washer and a dryer make your job easy!

3. Flowers, leaves, and butterflies,

Here is a sight to soothe your eyes.

A mini-forest outside your home,

You might even find a gnome!

4. Above the ceiling, below the roof,

I'm always a bit aloof.

A room to store boxes and things,

Prepare for the surprise your next clue brings!

5. You sleep inside your house,

But where does your car doze?

Open up my huge door,

To see what else in store!

6. Right under the house you go,  
Walk down the stairs below.  
Turn the light on; this is underground,  
This is where your next clue is found.

7. Come in here if you want to sleep,  
I'm cozy, comfy, and all you need.  
I'm home to your pillows, sheets, and bed,  
Or use this room for some romance instead!

8. One step at a time, up you go.  
Until you reach the next floor.  
I'm everywhere, from the house to the mall,  
But be careful, or you might fall!

9. Neither a lake nor the sea,  
But I'm as wet as can be.  
You can come and swim in me.  
A splash of fun is guaranteed!

10. If you really need to pee,  
I'm the room where you should be.  
And if you feel a number two coming,  
Don't worry – I've got all the plumbing!

11. Too hot? Too cold?

Get the water just right.

With some soap a towel,

Freshen up here before you call it a night.

12. I come in different sizes – King, and Queen,

You use me in your nightly routine.

Sleep on me and catch up on your Z's,

I'm springy, bouncy, and very comfy!

13. Put your head on me at night,

I'll keep you company till first light.

Fluff me up and hold me near,

Your next clue is right under here!

14. First a rinse, then a spin,

I keep your clothes clean from within.

I go round and round – that's not odd,

Just give me soap or maybe a pod!

15. Squeeze me on a brush,

And use me twice a day.

But don't be in a rush,

Because I keep bad breath at bay!

16. Keep me fed, full, and fat,  
With notes, cards, and coins at that.  
Take me with you wherever you go,  
Just make sure I never run low!

17. You step on me every day,  
But I'm not complaining – please stay!  
Tie my lace and keep me clean,  
Wear some socks – you'll see what I mean!

18. I hold your clothes and all your shoes,  
You use me daily before you choose.  
Open my door and take your pick,  
And don't forget to click a pic!

19. I'm black and white  
But I'm read everywhere,  
Buy me to get your daily share!
